

Visitation Guidelines

- Child Safety **MUST** be ensured.
- Visitation **MUST** occur frequently (even if it is not convenient for the agency).
- Visits **MUST** be held in the least restrictive environment.

Visitation Guidelines (continued)

- Regular sibling visits should occur to promote attachment and support between siblings.
- Children should be allowed regular opportunities to telephone significant people in their lives and share their daily activities, feelings, fears, and joys. (May include peers & boyfriends/girlfriends for adolescents)
