

MORE EXAMPLES of VICARIOUS LIABILITY

(as it relates to)

*** Supervision**

You do not supervise within the parameters of applicable laws and regulations.

*** Consultation**

You provide consultation, and the quality or content of your consultation is shown to be a *proximate cause of harm* in a negligence lawsuit.

*** Teaching and Training**

You are implicated for a student's actions because you failed to teach appropriate legal, regulatory or ethical principals.

*** Referrals**

You refer a client to an agency that is not properly credentialed to perform the service requested.

*** Board Membership**

You serve on a board and are implicated in a lawsuit because you failed to make an effort to stop unethical or illegal practices.

*** Administration**

You fail to follow established procedures for hiring new staff, such as "*the rule of 3*" in Civil Service.

*** Impaired Colleagues**

A colleague's practice deteriorates to the point that a child is jeopardized and there is no intervention.
