

## **Stacking for Success**

**Are you willing to help the family with the follow up?**

**Are you willing to attend the conference and consider the family plan?**

**Can the people invited accomplish the purpose?**

**Is the purpose clear and understandable? Does it motivate everyone to attend?**

**Is the family voluntarily participating and have they agreed to participate in the Family Group Decision Making Process?**

**Do you have hope for the family? Do you believe the family has the ability to come together and be successful in creating a Family Plan?**
