Workshop Title: Family Reunification and Case Closure in Child Sexual Abuse	Competency Number: 209
Trainer:	Date workshop Approved:
No. of Hours: 6	
Competency(ies): 209-8 The Child Welfare Professional knows the importance of post-placement supportive and treatment services, and knows strategies to assure that these services are provided to children, and their natural and foster families.	
Learning Objectives: After this workshop Child Welfare Professional will be able to: <ul style="list-style-type: none"> • Identify factors that place a child at risk for sexual abuse • Identify and implement the key ingredients safety planning in a sexual abuse case • Determine critical treatment milestones in preparation for reunification or case closure • Carry out the process and ingredients of a reunification plan and case closure 	
Calendar Summary: The process of reunification in child welfare cases in which sexual abuse has occurred requires the Child Welfare Professional to take special measures within the reunification process. After attending this workshop, participants will understand the safety issues present during the reunification process; the key ingredients needed in a safety plan; the critical treatment milestones that the victim, perpetrator and family must meet prior to reunification; and the process that should be used when reunifying a family and closing a case.
