

FOLLOW-UP QUESTIONS

Through **follow-up questions**, the interviewer further extends and amplifies the impact of the miracle by a series of questions designed to guide the client in exploring the implications of the miracle in the client's life.

Examples:

“What will be the first thing you notice that would tell you that a miracle has happened, that things are different?”

“What might others (mother, father, spouse, partner, siblings, friends, work associates, teachers, etc.) notice about you that would tell them that the miracle has happened, that things are different or better?”

“Have there been times when you have seen pieces of this miracle happen?”
