Dear *Childhood Mental Health Issues: Application to the Casework Process* Training Participant:

Re: Pre-work

Thank you for registering for the *Childhood Mental Health Issues: Application to the Casework Process* training. Enclosed you will find the pre-work materials necessary for this training. You should have already received a copy of the Resource Book with your materials from *Childhood Mental Health Issues: An Introduction for Child Welfare Professionals*, which will be used in this training as well. Please bring your Resource Book to the *Application* day training.

To make this training more meaningful and effective for you, we ask that you complete the pre-work and bring your completed pre-work with you to your training. Your trainer will reference the pre-work throughout the training.

If you have any questions about the pre-work, please feel free to contact the Training Program at (717) 795-9048.

Thank you for your continued support of the Pennsylvania Child Welfare Training Program.

Sincerely,

Training Program Staff
