

PROBLEM SOLVING:

The older the child, the more time they are on their own, therefore more times they will have to solve their own problems.

HELP THEM LEARN HOW!!!

“S O D A S” Method

- S - Situation
 - O - Options
 - D - Disadvantages
 - A - Advantages
 - S - Solutions

Key Points:

- Guide them through the process
- Do not make the decision for them
- Let them own the consequence
- Do not promise an outcome
