

Learning Objectives

Participants will be able to:

- ✓ Explain the process to be followed when communicating with school personnel
- ✓ Explain the various means in which Child Welfare Professionals may advocate for parents in school settings
- ✓ Plan and develop a case plan for student assistance with school personnel for a shared child

Learning Objectives (cont.)

- ✓ Explain the various levels of support services in schools that are available to students and their families as well as how to access them
- ✓ Explain the legal rights of parents in assuring their children receive an appropriate education
