

# Questions for the Sweden Family

**Directions:** Upon conclusion of the Sweden Family Video, respond to the following questions individually. When prompted by the trainer share your responses with the other participants at your table.

- ✓ Why the family is involved with the Child Welfare Agency (brief)?
  
- ✓ Who is in the family or living with the diagnosed caregiver?
  
- ✓ What are the ages of the children?
  
- ✓ What are the presenting behavior indicators indicative to this diagnosis that are presenting?
  
- ✓ What are the most critical safety and risk concerns that need to be explored?
  
- ✓ What interventions, actions, and/or casework decisions need to be made regarding the children and caregivers in this family?
