

Reflections on “Reflections”

As you watch “Reflections from the Heart of a Child”, please use this form to make notes on the following:

What emotional responses do you have as you watch this movie?

List the emotional responses your staff may have when working with this family?

List the indicators of a substance abuse problem within the family:

What questions would you ask your worker to gain this information?

Child safety issues/risks:

What questions would you ask your worker to gain this information?

What “family role” did each child assume? What behaviors will you guide your workers to look for in identifying family roles?
