

## "What Do I Know....." Part 1

### 5. Which of the following statements about in-home services are true:

\_\_\_\_\_ In-home services can prevent removal and placement of children.

\_\_\_\_\_ In-home services increases the likelihood of permanent change in the family's ability to care for their own children.

\_\_\_\_\_ When a child has been abused or neglected, it is not possible to protect the child in the home while services are being delivered.

\_\_\_\_\_ In an in-home services model, the family is an essential member of the service planning and intervention team.

\_\_\_\_\_ A worker who works with a family in their own home has a better chance of understanding their strengths and their culture.
