

# Emotional Impact of Out-of-Home Placement

Use your skills of Tuning in to Self and Tuning in to Others as you view the video. Focus on the emotions and behavioral responses of the children who are being placed, siblings, mother, and caseworker.

1. How is the mother feeling?
2. What is the mother's behavioral response?
3. Is the mother's behavioral response understandable?
4. What other behaviors might the mother exhibit - short-term and long-term?
5. How might culture impact the mother's behavior?
6. How are the two boys who are being placed feeling?
7. What are the two boys who are being placed behavioral responses?

## Emotional Impact of Out-of-Home Placement (continued)

8. Are the two boys who are being placed behavioral responses understandable?
