

Interviewing: A Dynamic, Interactive Process

- 1) The worker speaks.
- 2) The client responds.
- 3) The worker listens to the client.
- 4) The worker tries to figure out what the client is feeling.
- 5) The worker sorts through the information being shared to assess:
 - Safety (of children)
 - Importance to C&Y mission
 - Own feelings, needs, and safety
 - Prioritize pieces of information
- 6) The worker forms a response.
- 7) The worker speaks/acts again.
- 8) Etc. (repeat until end of interview)
