

# Transfer of Learning Activities Module 7

## Mandatory assignments for completion of Module #7

1) Complete a Risk Assessment Matrix for an assigned family. If you do not currently have a caseload work with your supervisor/mentor to complete a risk assessment for a family they are working with. Discuss the completed matrix with your supervisor/mentor.

## Mandatory Pre-work Activity for Preparation to attend Module #8:

- 1) Shadow an experienced intake worker in the various interviews of a physical abuse intake investigation.
  - a. Observe the laws and regulations that guide the workers actions.
  - b. Observe the workers use of the Interactional Skills
- 2). Observe a screener talking to a referral source. Did he/she engage the caller through the use of Interactional Skills? What did you observe?
- 3) Bring a blank intake sheet from your agency.

## Recommended pre-work activity for Module #8:

- 1) Shadow an experienced intake worker in the various interviews of any other types of intake investigations: neglect, sexual abuse, imminent risk.
  - a. Observe the laws and regulations that guide the workers' actions.
  - b. Observe the workers use of the Interactional Skills

## Other activities as identified by the trainee, and/or Supervisor:
