

Transfer of Learning Activities Module 8

Mandatory Assignments for completion of Module #8

Listen to an intake screener receiving a call identifying the laws and interactional skills the screener is using with the caller.

What skills did you observe?

What legal mandates was the screener following?

Mandatory Pre-work Activity for Module 9:

Observe a child under the age of five and note if the child appears to have any developmental delays. If so, what did you see, hear, or observe that lead you to that conclusion? If not, what did you see, hear or observe that lead you to conclude that the child was developmentally on target for their age?

Other activities as identified by the trainee and/or Supervisor:

Supervisor's Signature: _____
Caseworkers Signature: _____
