Dear Participant,

The Pennsylvania Child Welfare Training Program has received a report from your trainers from Module 6 that listed some concern about your behavior in the classroom during that training session. According to the report, your behavior periodically disrupted the class and interfered with other participant's learning. Per The Pennsylvania Child Welfare Training Program policy, we are requesting a meeting with you and your supervisor to discuss this matter. You and your supervisor will be contacted in the near future to set up the meeting.

Sincerely,

The Pennsylvania Child Welfare Training Program Trainer
