

# **ADOPTION VALUES**

## **Child Welfare Community in Pennsylvania**

- 1. All children should have a permanent home.**
- 2. Cultural continuity and identity should be preserved for all children involved in the adoption process.**
- 3. Placement disruption should be minimized.**
- 4. Services for all children in need of homes should be developed, strengthened and supported, including post-adoption services.**
- 5. All children are adoptable.**
