

SAMPLE to Students

Majoring in Social Work or Sociology

Dear Drs. Sidell, Wooley, Madigan, Mansfield, Purk and Ms. Keller,

Students at Mansfield University who are majoring in Social Work or Sociology may be interested in attending a job fair hosted by the Pennsylvania Children and Youth Administrators at the Nittany Lion Inn in State College on Thursday, March 23, from 5:30 to 7:00 p.m.

A flyer with details about the job fair is attached. Students will have an opportunity to meet informally with county child welfare administrators from across the state. There will be a brief DVD playing continuously that will provide introductory information about the field of child welfare. Representatives from the State Civil Service Commission have been invited to provide information about civil service testing. Representatives from the University of Pittsburgh School of Social Work will provide information about opportunities for fully paid graduate education for employees of county children and youth agencies. Refreshments will be served.

I would appreciate it if you would forward the flyer to students who may be interested in job and internship opportunities or who are exploring career paths. The flyer includes information about the location of the event and the email address for RSVPs.

If there are students who are unable to attend the reception but would like to learn more about job opportunities in the county children and youth agencies, information is available on the internet at www.pcy.org under the menu item, Job/Internship postings. If you have any questions about the job fair or the field of child welfare as it applies to your students, feel free to contact me by return email.

In addition to students, we welcome any faculty or staff who would like to learn more about opportunities for jobs and internships for students and soon to be graduates in the field of public child welfare. I recall meeting Dr. Mansfield and students at previous job fairs hosted by PCYA . I hope you found it helpful for your students.

Thank you,
Deirdre Jacques, M.S.S.
Assistant Director
Children and Youth Services of Delaware County

Challenging Work and Internship Opportunities !

Do you want to:

- ✓ Improve life for children and families?
- ✓ Make a difference?
- ✓ Experience exciting and varied work with courts, police officers, educators, medical personnel, and others?
