### **Parking:**

Parking for this facility is free. You can park in the parking lots to the left of the building or in the back of the building.

### **Special Accommodations:**

In the case that you require accommodations due to a disability, please note:

- Parking is available at the front of the building (which is the “back”).
- An elevator is available to access the training room. At the front of the building, located on the left side, there is a ramp. Follow the ramp, through the doors and turn left. An elevator is located at the end of the hallway. Please go to the first level. When exiting the elevator, turn right, and then immediately turn left. The training room is on the left right before the main entrance doors.
- The restrooms are handicapped accessible.
- Each training room is equipped with one adjustable table. The adjustable table will have a lever underneath, which will allow the trainer to adjust the height of the table.
